

# WILD BASH COMPACT

## WATER RESISTANT IPX6 PORTABLE SPEAKER

GIFTBOX: 8435430629095

### DESCRIPTION

- Wireless speaker compatible with Bluetooth 5.4 technology to enjoy music both indoors and outdoors.
- Compact and portable size that delivers high-quality sound thanks to its powerful 40W RMS output.
- Rugged design made with highly durable materials.
- RGB LED lights.
- Sound amplification with the ability to pair two devices to double the power thanks to its TWS function.
- Bluetooth technology compatible: connect your device via Bluetooth and play your music with the best sound quality.
- USB/TF input port to connect a flash drive of up to 32GB.
- Includes AUX input for a 3.5 mm jack.
- Microphone input to turn your parties into a real karaoke experience.
- 7.4V / 4500mAh Li-ion rechargeable battery that can play music for up to 6 hours (at 50% volume).
- The battery is easily removable; only a Phillips screwdriver is required. This allows you to extend your parties as long as you want with spare batteries (not included in the package).
- Control your music directly from the speaker with the simple built-in buttons.
- IPX6 water-resistant, ideal for outdoor parties even when the weather is not on your side.
- Built-in bottle opener on the rear.
