WIRED MULTIMEDIA KEYBOARD

GIFTBOX: ES 8435430628319
EXPORT CARTON: 8435430628326

DESCRIPTION

- USB Keyboard with Integrated Multimedia Functions
This standard keyboard connects via USB and includes FN keys along with 12 shortcuts for quick multimedia control.
- Comfortable and Quiet Typing
Thanks to its membrane keys, it provides a smooth and quiet typing experience, ideal for long-term use.
- Durable and Sturdy Design
It features an original splash-resistant design, built to withstand up to 10 million keystrokes. Additionally, the characters have a special coating to prevent wear over time.
- Improved Ergonomics
It comes with robust foldable legs that allow you to adjust the keyboard angle for greater comfort. The 1.5-meter cable provides flexibility to suit your workspace.
- Instant Connection
With its "Plug & Play" function, simply connect it to your computer and start using it instantly, without installing any additional software.

MAIN CHARACTERISTICS

- 12 Multimedia keys
- Anti-slip rubber feet
- Tilt adjustment
