

# HEROSTAND

## LAPTOP COOLING STAND

GIFTBOX: 8435430626964  
 EXPORT CARTON: 8435430626971

### DESCRIPTION

- Laptop cooling base with 6 high speed fans. The LCD screen and buttons allows you to control the fan speed with a maximum speed of 2400 rpm.
- The laptop cooler features built-in RGB ambient lighting strips. You can choose from 10 different lighting modes and pick your preferred option, whether it's a colorful breathing effect or a single-color breathing mode, creating an engaging atmosphere.
- The cooling pad offers 4 different height settings for you to choose from. Adjust the angle to suit your preferred viewing position, effectively reducing back and neck strain. The cooling pad also includes a built-in phone holder, making it easier to check information.
- Each of the 6 fans is equipped with condenser components, minimizing operational noise without sacrificing fan performance. Enjoy a quiet work environment, free from disruptive noise.
